Subject: StRAP 4 products with Amar as product lead

All

The products below are in RAPID and have Amar as the product lead. I need to figure out what to do with them. None of them have funding.

Research

Area	Product Team	Name	Organization	Roles
CSS 408	CSS.408.1.29 - Productionize and Manage models and pre-predicted data for Provenance and Reproducibility	Singh, Amar	ORD-CCTE-SCDCD	Product Contact
	CSS.408.1.30 - Modernization of ExpoCast Data	Singh, Amar	ORD-CCTE-SCDCD	Product Contact
CSS 408	Management	Amar	SCDCD	Contact
SHC 409	SHC.409.1.4 - The Environmental Justice (EJ) Information Hub: A Digital Access to ORD EJ Tools and Applications	Singh, Amar	ORD-CCTE-SCDCD	Product Contact
		Amar	SCDCD	Contact

I suspect that all of these have linkages to other products. Please go into RAPID and let me know if canceling them will cause issues. This is principally the two CSS products.
